Dear Girls & Boys,

This year, we have been blessed with very beautiful fall weather. However, we also know that winter is coming. It is getting darker earlier and it can be very chilly or frosty in the morning. You may have cleaned up the garden or flower beds and the grass does not need to be mown as much.

Have you ever noticed how often grass is mentioned in the Bible? If you look in a concordance, you will see that we can find it more than 50 times! It is mentioned as a food for animals, but it also mentioned as a picture of our life. Just as the grass withers and dies in the winter, so we know that one day, we too will pass away. Pray often that God will forgive your sins, and also prepare your heart to meet Him.

Children who have earned a book this time are: Cayden Bleeker, Isaac Bleeker, Vera Knibbe, Leah Spaans, and Mya Spaans. I hope to see you in the library following the service tonight (November 8).

It is nice to see several new children doing puzzle pages, but also a very full box of completed puzzle pages! Keep up the good work! There are many nice books to choose from when you are ready.

Sincerely, Mrs. Jackie Knibbe
