Dear Girls & Boys,

It is a pleasure to begin a new puzzle season with you! I hope that you may become more familiar with your Bible and the Bible histories while you are searching for answers, but above all that it may be blessed to your hearts.

Each puzzle that you complete is worth 10 points. Bonus questions are worth 1-2 points. After you have completed enough puzzles to earn 100 points, your name will be listed in the next puzzle page and you may come to the library to choose out a book. All children ages 7-14 are welcome to do the puzzles. (If you are younger than 7 and can write the answers yourself, you are welcome to do the puzzles also.) We will start with the book winners next time.

Several weeks ago already, we have begun a new school year. You are learning more Bible lessons, math and science and the younger ones are beginning to read. It is a great privilege to be able to read, but especially to read God's Word every day. I hope you may do that! Your puzzle today will be from texts in the Bible that speak about reading.

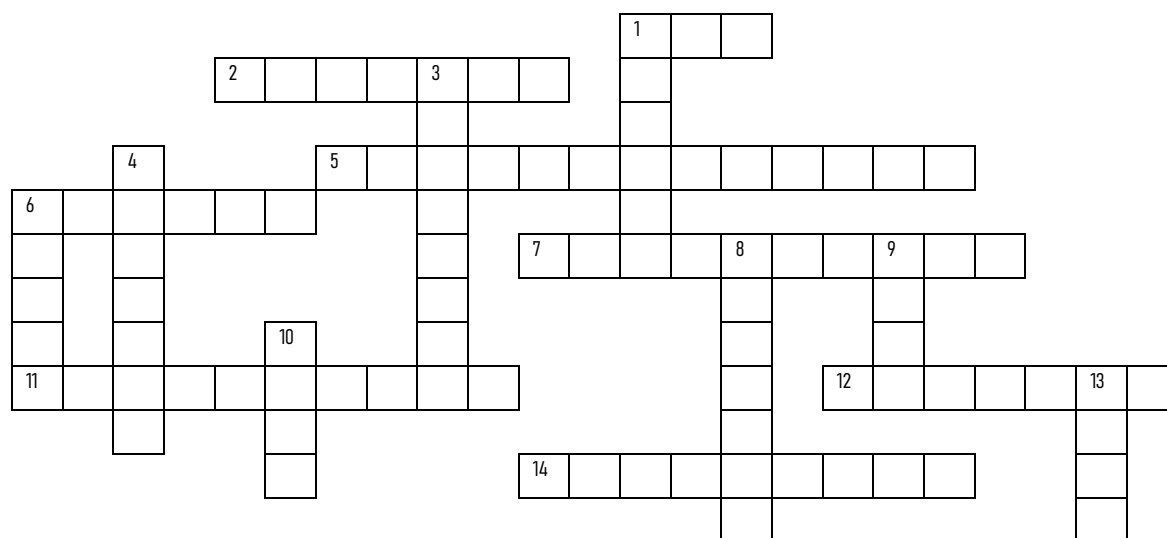

Sincerely, Mrs. Jackie Knibbe

Today's Puzzle (10 points): Look up the texts (on the back of the page) and fill in the correct word in the word search.
